CHAPTER 10 : SCIENCE AND TECHNOLOGY HAS BEEN MISUSED

Objective Type Questions

A. 1. ii 2. ii 3. iii 4. ii

B. 1. store, enormous 2. politics 3. produced 4. knowledge

Subjective Type Questions

A. 1. Do it yourself.

2. Science is not always used for the benefit of humanity. Techniques used for preparing metal ploughs, which are used in agriculture, have also been used for making swords and other weapons for destroying mankind. Electronic Radars useful for safely landing our aeroplanes, are also being used for shooting down enemy planes during a war. The atom that is a store of enormous energy that can be used in a controlled manner for providing electricity for lighting our homes, was also used as an uncontrolled atom bomb for killing thousands of innocent people in the cities of Hiroshima and Nagasaki.

3. The atom bomb was the result of the famous Manhattan project of the US government where scientists from different countries of the allies worked together secretly to develop this terrible device.

4. The immense blast and the heat produced by the atom bomb instantly killed thousands of innocent people. The long term effect of the damaging radioactive debris was there to last for several decades.

5. In politics, the countries have engaged in wars with their enemies. The objective of war is to destroy the lifeline of the enemy, or destroy its infrastructure, either military or civil. The warfare used could be conventional bombs, chemical, biological or even nuclear arsenals. Use of aircrafts, missiles, radar borne anti-aircraft guns, rockets and even satellites in space have been used in such efforts at defeating the enemy.

B. 1. songs and stories 2. Arthur king 3. sorrow 4. baby 5. Sir Ector

Subjective Type Questions

1. The story of England's most famous legendary King Arthur

Moto English World (1-5)

and his Knights of the Round Table has been captivating readers through the ages. King Arthur's deeds have been narrated in songs and stories throughout Europe.

2. There are some mysterious stories about his birth and death. Before Arthur king, Uther Pendragon ruled with the help and advice of the wise old magician Merlin. But the king died in sorrow as he had no heir. After his death, says one story, the queen gave birth to a son. Merlin, who was afraid that the cruel Lords might kill Uther's child, secretly entrusted the child to faithful Sir Ector who had a son named Kay. Another story sounds more mysterious. According to this story, a curious incident took place after Uther's death. Once when Merlin went out of the castle, he saw a strange ship on the great waves of the sea. Then one of the waves broke in fire at Merlin's feet. Merlin caught sight of a baby in the fire. He believed that the baby was Uther's heir and entrusted him to Sir Ector.

3. After Pulling out the sword from the marble slab, the people accept Arthur as their king.

4. No one knew whether Arthur lived or died. His death was as great mystery as his birth.

5. Do it yourself

6. Arthur's nephew, Mordred, wanted to seize the kingdom for himself. Arthur and his loyal knights had a fierce battle with the rebels. Many lost their lives. Arthur, accompanied by Sir Bedivere, a knight, advanced towards the traitor, Mordred, and swiftly struck him down but not before the latter and struck Arthur on the helmet Arthur knew his end was near.
